

PRODUCT SALES SHEET

A00266AM Alpine Mist Extreme Duty Odor Neutralizer HHS (Hand-Held Space Spray)

Air Care

Features

- Super dry air deodorizer formula with ultra fine particles for maximum diffusion
- Powered by *DeoEssence*®, integrated fragrance/odor counteractant system
- Professional strength for the toughest airborne odors – **SMOKE/FIRE, ANIMAL/PET, BIOLOGICAL**
- Long lasting performance – provides superior suspension for extended odor elimination
- 50 state VOC compliant, nonchlorinated, non-ozone depleting
- Premium fragrance- ideal for use beyond the restroom
- Spray through cap for easy hand-held treatment of air space

Description

This air deodorizing product combines our best aerosol delivery system with the latest innovation in professional strength odor counteractant systems. Our super dry formula rapidly and thoroughly diffuses into the targeted air space. The ultra fine particles (less than 5 microns) have excellent bloom and suspension time with no fall out and no wet or oily residue. The premium fragrance is ideal for use in most any setting - not just restrooms. Hotel lobbies and guest rooms, apartments, hospitals, nursing homes, day care centers, mortuaries, vet clinics and animal shelters, locker rooms, gyms and health clubs, foyers, conference rooms and offices, schools, restaurants, event rooms - even versatile enough for use in the home. Powered by *DeoEssence*®, this unique technology integrates a high performance odor counteractant with the fragrance for maximum performance against the most challenging odors an air deodorizer meets: **SMOKE/FIRE (cigar/cigarette, post-fire or cooking cleanup) / ANIMAL/PET (stalls, crate/cage, litter box, urine/feces) / BIOLOGICAL (sewer/trash, decay, vomit, urine/feces, lingering body odor*)** *This product is an air freshener, not a body deodorant. Do not apply directly on skin.

TECHNICAL INFO:

TECHNICAL INFO:		
Physical Properties	Appearance	Clear
	Color	None
	Odor/Fragrance	Alpine Mist
	pH	N/A
	Spray Pattern	Fine Dry Mist
Environmental Profile	Glycol Ether Content	None
	Biodegradability	None

Regulatory Compliance	% VOC By Weight	24.0
	VOC Restricted Regions	None
	Food Processing Suitability	N/A
	EPA #	N/A
	Flammability per CPSC	Extremely
	NFPA Code 30B Storage Level	3

What truly separates this technology from others is endurance. While standard air deodorizers/odor counteractants fade, *DeoEssence*® fortified products provide superior odor elimination that lasts for extended periods of time. In addition, the advanced aerosol chemistry is 50 state VOC compliant and contains no chlorinated solvents or ozone depleters. 20 net 10 oz can.
