

A00811 ASPIRE® Dust Mop Treatment

Floor Care

Features

- Professional Strength, FEP Aerosol Maintenance Products
- USA Patent Pending Formula Technology Meets Amrep's Favorable Environmental Profile
- Advanced Propellant System Enables Ultra Low Total VOC Content
- 98% VOC Free, Water Based, Nonflammable
- Formula Contains No Wax or Silicone
- Locks Up Dust, Lint, Dirt & More
- Pleasant Light Lemon Fragrance

“The Next Generation FEP Aerosol System”

Description

Aspire® Dust Mop Treatment replaces sweeping compounds and eliminates the dust created when using mop head equipped push brooms. The advanced formula contains no wax or silicone, does not make the treated surface slippery and will not damage floor surfaces. Ideal flooring surfaces for use include asphalt tile, linoleum, vinyl, rubber tile, marble, granite, natural stone, ceramic, concrete, quarry tile, magnesite, cork and wood including polyurethane coated wood such as gymnasium floors, racquet courts, etc. It can also be used on flooring coated with removable polymer finish. Cloths treated with this product are ideal for dusting plastic, laminates, chalkboards and more.

For Heating and Air Conditioning: When replacing filters on central heating and air conditioning systems, spray the new filter thoroughly before installing.

| TECHNICAL INFO: | | |
|-----------------------|-----------------------------|------------------------|
| Physical Properties | Appearance | Creamy Spray |
| | Color | White |
| | Odor/Fragrance | Lemon or Citrus |
| | pH | 9.0-10.0 |
