Big D Organic Gel - Manufactured from organic materials, each fragrance is designed to control a specific odor problem. When used with a fan dispenser the gel will last 30 days. Ideal for patient care, restrooms, offices and food service. Gels are VOC friendly.

Big D #777 Light-Sensor Dispenser - Micro processor switch can be set off, on or auto. Holds gel or wick bottle deodorants. Operates on one or two "D" batteries.

Big D offers a complete line of products for thorough cleaning, disinfecting and odor control.

ORGANIC GELS

Big D Organic Gels are a departure from the typical solvent based deodorants. These gels are formulated from natural vegetation – plants, fruits, herbs and flowers which have been known throughout time to selectively neutralize malodors.

- No. 110 - Lemon
- No. 111 - Apple
- No. 115 - Mountain Air
- No. 116 - Sunburst

Packed 12 per carton (wt. 2 1/2 lbs.)
or 6 cartons per shipping case (wt. 10 lbs. 13 oz.)

#777 DISPENSER

Light activated - allows dispenser to turn itself off when there is no light in room, allowing more efficient use of batteries and odor control products. LED indicator to inform you the unit is operating. Constructed of sturdy ABS plastic. Sealed motor for long life — one carbon battery will last 30 days, two carbon batteries will last 120 days, and up to 180 days with two alkaline batteries. Covers 4,000 cubic feet.

Packed individually or 20 per shipping case
(wt. 1 lb. each)
