

THE CIMEX ADVANTAGE...

Eagle Series

Automatic Scrubber

Cimex Eagle electric or battery powered automatic offer proven performance and useful innovations for highly efficient hard floor scrubbing in industrial or institutional applications

Applications

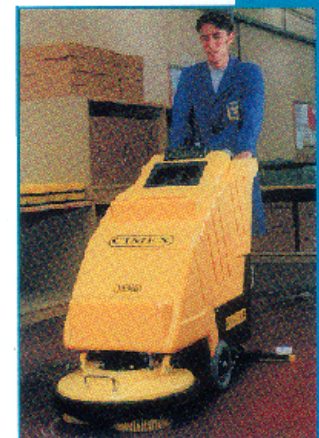

- Retail and Stores
- Hospitals
- Hotels and restaurants
- Schools
- Food processing
- Industry
- Factories

Features and Benefits

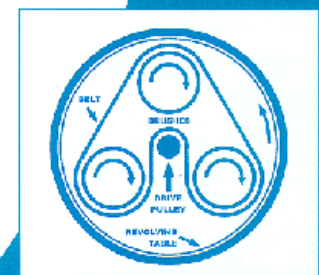

- Electric or battery powered models
- Cimex 3-brush action for unbeatable scrubbing also prevents cable damage
- Three scrubbing widths - 16", 20", 24"
- Easy fill/empty solution and recovery tanks
- Large capacity tanks for maximum cleaning time
- Easy solution tank removal and recovery tank cleaning
- Non-marking wheels
- Light and easy to maneuver
- Compact design with excellent operator visibility
- Reversing brush action extends brush life
- Non-clog solution valve

Battery machine – special features

- Long-life batteries for increased run time
- Optional battery change-over facility – doubles available cleaning time
- Traction drive – forward and reverse

The triple-brush cleaning mechanism incorporates a counter-rotating planetary drive disc. This gives a vigorous action that cleans in all directions with the brushes cleaning deep into the grouting of tiled floors, around the contours of rubber studded non-slip floors and for difficult-to-clean safety flooring.

Eagle Series

Automatic Scrubber

INNOVATIVE AUTOMATIC SCRUBBER FOR CLEANING IN COMMERCIAL AND INDUSTRIAL ENVIRONMENTS

THIS SPECIALIZED AUTOMATIC SCRUBBER DOES A FAR SUPERIOR CLEANING JOB...

The Eagle automatic scrubber cleans and dries the floor in one single pass, even when turning. Available in three cleaning widths, the smallest model is ideal for use in congested areas and the larger models for high productivity cleaning of more open areas.

The unique Cimex three-brush system makes these automatic scrubbers simple to operate and extremely efficient. The Cimex three-brush system gives excellent results on what are normally more difficult cleaning jobs such as uneven floors including tiles, studded and safety flooring. A workhorse quickly paying for itself, cleaning up to 21240 sq.ft. per hour.
