# Foam Plastic Dinnerware

The attractive design of Dart foam dinnerware is lightweight yet strong enough to hold a full portion of food without bending. Superior insulation makes it perfect for serving both hot and cold foods. Quiet Classic dinnerware lines are laminated for extra strength and gloss. Our Concorde dinnerware line offers the same Dart quality in a non-laminated version.

# Impact Plastic Dinnerware

Add elegance to any meal with Dart Famous Service impact plastic dinnerware. The glossy, china-like finish and rigid construction enhance food presentation. The non-absorbent, cut-resistant surface keeps sauces from soaking through. Decorative, yet functional, the rim design offers a sophisticated accent while providing for easy product separation. Famous Service also nests more closely than foam or conventional dinnerware, saving you money by reducing storage requirements.
