Henkel is a Fortune Global 500 company headquartered in Düsseldorf, Germany. With more than 50,000 employees worldwide, we are among the most internationally aligned German-based companies in the global marketplace. People in approximately 125 countries worldwide trust in brands and technologies from Henkel.

Henkel is the name behind some of America's best-known brands. From Dial® soaps to Purex® laundry detergents, göt2b® hair styling products, Right Guard® antiperspirants, and Loctite® adhesives, Henkel brands are part of your daily life. Henkel has grown rapidly in North America during the past several years and now generates about 20 percent of worldwide sales in this region.

We believe that not all brands are created equal. That is why our products are hand-crafted to meet our valued customer's highest expectations. This is measured by the following facts:

1. The Dial® brand is preferred 7 times over the competition,
2. There is a Henkel product in 8 out of 10 U.S. households,
3. The preference for Dial® products extends from the home to the professional marketplace.

## FOOD SAFETY IN THE U.S.

While the food supply in the United States is one of the safest in the world, The CDC estimates annually

- 76 million people get sick
- Over 300,000 are hospitalized
- 5,000 die from preventable foodborne illness

Preventing foodborne illness and death remains a major public health challenge.

## DIAL® ANTIBACTERIAL HAND SANITIZER FOAM

**Kills 99.999% of germs instantly without soap and water.**

- Non-drying formula provides more visible and longer lasting hydration than Purell® Instant Hand Sanitizer Foam
- Dermatologist-tested
- Latex, non-latex, and CHG-compatible
- No added dyes or fragrances

Purell® is a registered trademark of GOJO Industries, Inc.

Dial® Hand Sanitizer Foam is alcohol-based but has a special moisture-lock system that is clinically proven to deliver 10 times more moisturization to the skin than if left untreated. As such, it visibly reduces the appearance of dry skin after use. Dial® Hand Sanitizer Foam meets OSHA, CDC, and FDA standards and guidelines.

## TESTIMONIALS

*"I've used Boraxo powdered hand soap since "Death Valley Days" was on TV in the 1960's. This stuff always gets the grime off our family's hands better than any other product we've tried. My wife uses it after food preparation to remove food odors from her hands. It's a useful family soap and a familiar brand that we hope stays around for another generation."*
