Crew® Super Blue
Mild Acid Bowl Cleaner

Thickened, dual organic acid formula clings to bowls and urinals to clean tough stains and neutralize malodors.

Effective
▸ Cleans common restroom soils, rust deposits and scale
▸ Thickened formula clings to vertical surfaces for longer dwell time

Versatile
▸ Keeps bowls and urinals clean and free of tough stains while neutralizing odors
▸ Great for daily cleaning of common soils, but still effective on tough soils such as hard water deposits, rust and scale

Designed For
▸ Health Care
▸ Education
▸ Lodging

Use Overview

Crew® Super Blue Mild Acid Bowl Cleaner is a thickened, dual organic acid toilet bowl cleaner that clings to vertical surfaces. It keeps bowls and urinals clean and free of tough stains while neutralizing odors.

- Remove water from bowl or urinal using swab.
- Apply to all porcelain surfaces.
- Cover all recesses and areas where stains can build up including under the rim, water outlets and drain pipe openings.
- Allow to stand for at least 60 seconds. For removal of heavier stains, product can be left in bowl or urinal for up to 2 hours.
- Swab and flush rinse.
