Extraction Cleaner

A powerful multi-purpose cleaner compatible with advanced generation fibers when used as an extraction cleaner.

Versatile

- Use as a liquid extraction cleaner, traffic lane pre-spray or bonnet buff cleaner
- Available in conventional AccuMix®, Command Center™/MC, bulk gallons and J-Fill® packaging

User-Friendly

- Low foam formula for the needs of today's high pressure carpet extractors

Effective

- Resists resoiling
- Provides excellent cleaning in hot or cold water
- No optical brighteners
- Excellent hard water tolerance

Economical

- Concentrated for maximum savings

Extraction Cleaner

Use Directions

For Portable Extractor Use

- Dilute 5 oz. of Extraction Cleaner per 5 gallons cold water (147 mL per 19 L).

For Truck Mount Stock Solution

- Add 40 oz. of Extraction Cleaner per 5 gallons cold water (1.18 liters per 19 L).

For Use as Pre-Spray (except on stain resistant synthetics)

- Dilute 13 oz. of Extraction Cleaner per gallon cold water (78 mL per liter).
- Spray solution via a low-pressure sprayer onto carpet, paying particular attention to spots and traffic lanes. Agitate with a carpet rake, extractor brush, shampoo brush or bonnet.
- Fill extractor with clear cold water or Extraction Rinse according to label directions and rinse carpet. After cleaning, re-set pile by brushing in one direction with a clean stiff synthetic broom or carpet rake.

Product Specifications

Description	SC
Color/Form	Clear colorless liquid
Flash Point	> 200° F (> 93.4° C)
pH	9.1 (Concentrate) 8.7 (Use Dilution 1:320)
Scent	Floral fresh
Shelf Life	2 years
Solubility	Complete
Specific Gravity	1.03

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
