Suma[®]
Break-Up[®]
High Foaming
Degreaser

A high-performance, cleaner and degreaser for use on food preparation and service areas.

Effective

- Quickly removes grease and food residue from soiled surfaces
- Effective on all hard surfaces in meat rooms and other food preparation and service areas

Cost-Effective

- Long-lasting suds provide outstanding cleaning performance
- Highly concentrated formula is economical to use

Easy-to-Use

- Rinses easily with no residues, leaving equipment and utensils clean
 - Use on floors, walls and food contact surfaces
-

Suma® Break-Up® High Foaming Degreaser

Use Directions

- See RTD® dispensing system operating instructions sheet enclosed in each case.
 - Use on floors, walls, and food contact surfaces. All food products and packaging materials must be removed or carefully protected prior to use.
 - Fill trigger spray bottle or bucket with Suma® Break-Up® High Foaming Degreaser from RTD® dispenser.
 - Spray or spread diluted product onto surfaces to be cleaned.
 - Allow the product to penetrate and lift soils.
 - For best results, scrub surface with a brush.
 - A potable water rinse is required after use.
 - After rinsing, non-food contact surfaces may be wiped dry or allowed to air dry.
 - If the surface is a food-contact surface, sanitize the surface per federal, state and local health requirements.
- Storage:** Do not store in food processing, or food storage areas.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
