

Diversey

Easy Paks[®]
Neutralizer
Conditioner/Odor
Counteractant

Neutralizes alkaline residue after stripping and cleaning, conditions floors for better sealing and a brighter finish and also neutralizes urine odors on floors.

Effective

- Helps eliminate dulling, discoloring and hazing for longer-lasting, brighter finish
- Conditions floors for better sealing
- Neutralizes urine and other odors on hard floors, grout and carpeting
- Safely and effectively neutralizes and removes alkaline residue left behind on floors from ice melt, sea spray on windows, floor strippers, and cleaners

Easy Paks®

Neutralizer Conditioner/Odor Counteractant

Use Directions

- Where appropriate, remove stripping or cleaning solution.
- Add one packet to 3 U.S. gallons/11 L of warm or hot water and stir gently to form a uniform solution.
- Apply solution with mop, sponge or cloth.
- On floors to be sealed or finished, first pick up solution with mop or wet vac, then let air dry. For other applications, allow surface to air dry.

CONTAINS NO PHOSPHORUS

KEEP FROM FREEZING

Note: Do not remove packets before use. Do not handle packets with wet hands. Reseal container after removing packets. Store in a cool, dry place. Position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign materials. Promptly cleanup spills and foreign materials.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
