Twinkle®

Stainless Steel Cleaner & Polish

Maintains a bright and clean metal finish on stainless steel and other interior metal finishes.

Effective

- Specially formulated to clean and beautify stainless steel, as well as brass, aluminum, and chrome
- Has a light lemon scent that's pleasant to use yet it is odorless after polishing
- Leaves no oily film
- Polishes as it cleans

Versatile

- Use on escalators, elevators, sinks, counter tops, stove tops, drinking fountains, chrome faucets, aluminium shower doors and trim, brass rails and decorative planters
 - For use in hotels, motels, food service areas, restaurants, hospitals, nursing homes, schools, office buildings, shopping malls, retail stores and terminals
-

Use Directions

- Remove cap-hold can upright and lightly spray surface to be cleaned.
- Wipe with clean cloth dampened with clean water. For heavily soiled area, allow foam to remain 60 seconds and then follow same instructions listed above.
- Using a second clean dry cloth, polish to a bright finish.
- Do not set on stove or radiator.
- Avoid contamination of food during use and storage.

NOTE: Never use on floors and protect floors from overspray. The product ingredients make a floor slippery. If oversprayed onto a floor, scrub floor with detergent and dry thoroughly. Multiple cleanings may be needed to remove all contamination.

Product Specifications

Description	
Certification	NSF, CFIA
Color/Form	Opaque white aerosol
Flash Point	< 20° F (< -7.0° C)
Scent	Lemon
Shelf Life	2 years
Solubility	Dispersible
Specific Gravity	0.85
