Easy-to-Use

- ▶ Multiple delay settings are available to customize operations
- ▶ Use anywhere you need to control unwanted odors

Designed For

- ▶ Health Care
 - ▶ Food Service
 - ▶ Education
 - ▶ Retail
 - ▶ BSC
 - ▶ Government
 - ▶ Lodging
-

Use Overview

Good Sense® Automatic Spray System continuously freshens air anywhere odors are present. Uses patented concentrated aerosol technology to deliver a dry and fine mist of odor counteractant resulting in long-lasting action against malodors. Uses a programmable dispenser to meet all customers' needs.

- ▶ Mount unit to the wall in an area where odor control is needed.
- ▶ Insert tip of refill cartridge into nozzle inside the dispenser cover.
- ▶ Slide base of the refill into place slightly sideways, and twist refill to align it into slot.
- ▶ Press the Reset button inside the dispenser.
- ▶ Place the cover back on the back plate.
