Both user and environmentally friendly!

LIQUID ALIVE® is an ecologically safe line of Cleaning and Maintenance Products that answer the demand for safer products that also reduce environmental impact.

Using natural, synergistic biological processes, the formulation of LIQUID ALIVE® effectively cleans and maintains free-flowing plumbing, drain lines, pipes and traps, grease traps, and septic tanks – wherever waste, soils and malodors are a problem.

Chemically neutral, free-flowing solutions, LIQUID ALIVE® releases specific enzymes that disintegrate available food sources almost upon contact.

LIQUID ALIVE® is User Friendly

- No acute or oral toxicity
- No acute dermal toxicity
- No acute inhalation toxicity

LIQUID ALIVE® is Environmentally Friendly

- Natural, bioenzymatic action
- Neutral pH formulations
- No heavy metals
- No chlorine bleach
- Minimal VOCs (>1%)
- Biodegradable surfactants
