Kills on contact with no lingering chemical odor and will keep killing bugs for up to four weeks.

Effective

- ▶ Extremely fast knockdown
- ▶ Kills a broad range of crawling insects
- ▶ Contains active ingredients for rapid kill action and residuals to keep killing for up to four weeks

Recommended For

- ▶ Lodging
 - ▶ Government
 - ▶ Industrial
-

Use Overview

Raid® Ant & Roach Killer – Outdoor Fresh® kills on contact with no lingering chemical odor and will keep killing bugs for up to four weeks. Available in an easy-to-use aerosol can, this insecticide uses broad spray patterns for good surface coverage. Use **Raid® Ant & Roach Killer** directly on roaches themselves, as well as in their hiding places.

Directions

- ▶ Shake well before use. Hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly.
- ▶ Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber, and plastic materials.
- ▶ More frequent application will be required to maintain control on plywood surfaces. Repeat treatment as necessary.
- ▶ *For roaches, waterbugs:* Spray until wet in cracks around baseboards and other hiding places. When bugs are driven out, spray directly.
- ▶ *For ants:* Apply to ant trails, also around doors, windows, and wherever ants enter the house.
- ▶ *For silverfish, crickets, spiders, the Multicolored Asian Lady Beetle:* Spray areas infested by these pests.

Product Specifications

Description
