Comet 419TR Self Contained Carpet Extractor (similar to 411TR, 5 start just color change)

The Comet<sup>®</sup> is a small, self-contained unit with powerful brush agitation to clean carpets. It's light enough for anyone to handle, plus the compact body design and fold-down handle make it a breeze to transport and store. Designed for the professional or home owner looking for professional results.

Features:

- Patented self-adjusting, self-leveling brush and vacuum shoe for easy cleaning of all carpet lengths, plus longer brush life.
- Full complement of optional accessories attaches to the back of the unit for cleaning upholstery, stairs, etc.
  - Handle adjusts to operator height and folds down for compact storage.
  - Patented lift-off bucket with bladder makes filling and emptying incredibly easy.
  - See-through recovery dome.
  - Side extension for cleaning right to baseboards.
  - Upright mounted motor and inter-cooler system combine for long-lasting operation.
