

2.5 HOUR GEL

FancyHeat Ethanol Red

FancyHeat™ is an industry leader and innovative manufacturer of quality chafing fuels.

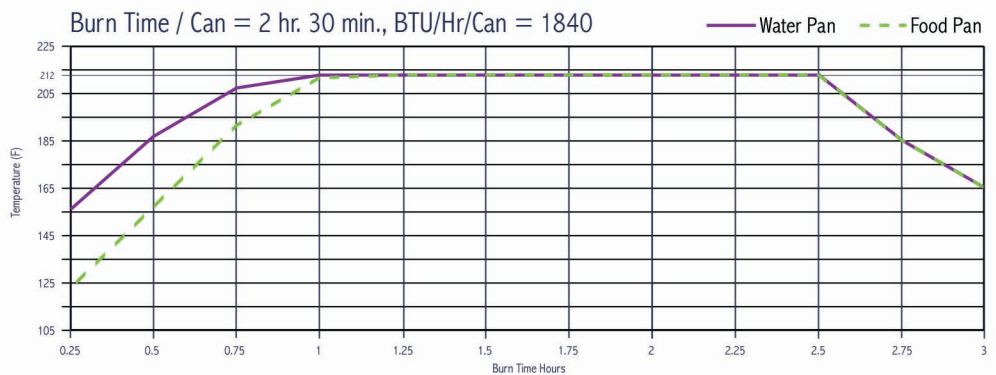

As a family owned business serving the growing food service industry, the customers' needs are our first priority. Every phase of our business is focused on customer satisfaction. Commitment, integrity and quick response make our customer support services second to none.

FancyHeat Advantages™

FancyHeat offers a product formulated to give you the most optimum flame BTU output on the market today. FancyHeat offers gel based fuels that are liquid free and burn without offensive odors. Our gel will burn up to 20% longer and more efficiently than our competitors. FancyHeat is the only manufacturer to have a label with detailed directions and safety tips on each of our cans. This makes our product one of the most user friendly based chafing fuels in the world's market.

FancyHeat™ premium ethanol based gel provides you with the ultimate BTU and the longest burn time other fuels can not match. FancyHeat's formula burns up to 20% longer than our competitors. See why we are **“THE WORLD’S BEST FUEL!”**
