by Mercury Floor Machines

## SEE THE BENEFITS

### of the High Roller Air Mover from Mercury

- The 1/2 HP, 3-speed motor gives ample power for drying surfaces and moving musty air.
- Includes 9.5" wide, steel fan blade.
- The durable, roto-molded chassis is easy to keep clean and looks newer longer.
- Top of the line retractable handle for single-handed use and maneuverability.
- Double ball-bearing urethane wheels for effortless transportation.
- Designed to operate at two angles. Aim the air stream at the floor to move air and dry carpets, or tip back to dry curtains, walls and ceilings.
- Stack up to three air mover units for easy storage.
- A balanced design with molded-in carrying handle and cord wrap make transportation easy.
- Air intake and outlet screens keep airflow free of debris and protect fingers from the powerful, steel fan blades.
- Includes (1) 20-foot, 16/3-gauge safety power cord.
- 10-year warranty on roto-molded chassis, 1-year on motor and all electrical components.
