by Mercury Floor Machines

Manufactured with  
Pride in the U.S.A.

## SEE THE BENEFITS

### of the BOSS Multi-Tasker from Mercury

- Precision balanced, super heavy-duty 175 RPM, 1.5 HP 66-frame dual capacitor motor for easy operation.
- Triple-planetary high torque transmission handles the most demanding applications.
- The all-metal, balanced chassis provides more precise pad pressure and beautiful results. The polished metal chassis is easy to clean and looks newer longer.
- Three interchangeable aprons with one base machine gives you a fleet of floor care machines for a range of tasks in any size facility.
- Low profile drive apron easily reaches under counter coves and beds.
- Safety-enhanced interlock switch on the handle leaves both hands conveniently in control.
- Safety-enhanced, non-conductive dual triggers on handle eliminate shock potential and includes heavy-duty dual switch levers.
- Fully adjustable 48" handle is comfortable for all operators.
- 6" non-marking transport wheels and non-marking, super-thick bumper protects walls and baseboards.
- Includes (1) 50-foot safety power cable. Motor plugs into cable at the base of the handle. Maintenance is safe and easy.
- "Best Warranty on the Planet" – 5-years on motor, gearbox and chassis.

## SUPER VALUE AND PRODUCTIVITY

### BOSS Multi-Tasker System Includes

- **The BOSS Base Machine**
- **Three Interchangeable Aprons:** 13", 17" and 21" interchangeable, non-marking aprons with full wrap bumpers. Aprons mount with three easy-to change thumb screws.
- **Three Matching Pad Drivers:** 12", 16" and 20" pad drivers with B/92 Style Clutch Plate.
- **Unicorn Weight Kit:** adds up to 50 extra pounds of pressure for a comprehensive stone and marble floor restoration program.
- **4-Gallon Solution Tank:** for productive wet cleaning.
