Safe & Easy to Use

POWERFUL. SAFE. EASY TO USE. SUPER HEAVY-DUTY FLOOR SANDING FROM MERCURY.

The Hercules Sealed Sander from Mercury has sealed bearings that protect the motor from dust, resulting in a longer life. Engineered, for dusty wood, stone and concrete, the Hercules Sealed Sander is the ultimate floor finisher. Its powerful 1.5 HP, 66-frame A/C motor can take on the toughest jobs!

HERCULES SEALED SANDER

by Mercury Floor Machines

Manufactured with
Pride in the U.S.A.

SEE THE BENEFITS

of the Hercules Sealed Sander from Mercury

- Powered by a precision-balanced, heavy-duty 1.5 HP 66-frame motor for easiest operation. Sealed bearings protect motor from dust.
- The triple-planetary high torque transmission handles the most demanding jobs.
- Scrub with a brush 2" smaller than the machine size, or a pad and pad driver with riser that is 1" smaller than the machine size. Available in 17" or 20" apron sizes.
- Strong, all-metal, polished reinforced aprons. Easy to clean and looks newer, longer!
- All metal chassis gives extra weight for fastest results.
- Safety-enhanced interlock switch on the handle leaves both hands conveniently in control.
- Safety-enhanced, non-conductive dual triggers on the handle eliminate shock potential. Motor plugs into cable at the base of the handle for easy maintenance.
- 48" tall handle is fully adjustable to be comfortable for all operators.
- Includes a 50-foot safety power cord, vacuum sanding kit and pad driver.
- Non-marking, super-thick bumper protects walls and baseboards.
- Non-marking retractable 6" wheels make transport easy.
- "Best Warranty on the Planet" – 5-year warranty on motor, transmission and chassis.
