

POWER FOR YOUR PORTABLE

THE AIR HOG PLUS™ FEATURES:

- Dual 3-Stage High Performance Motors
- 230 CFM
- 144" Water lift
- Auto pump-out at 3.3 GPM
- Can be used as an extractor in conjunction with a pressure washer
- On-board Lint Hog™ filter
- Watch for upcoming accessories

Give your business a boost with the new Air Hog™ Plus! We've re-designed our best-selling booster exclusively for President's Club distributors, and added dual 3-stage high performance vacuum motors that will take your truckmount or portable to new heights. With cutting-edge features and user-friendly operation, the Air Hog™ Plus will quickly become an indispensable addition to your cleaning arsenal.

The Air Hog™ Plus is a versatile and powerful beast of a booster, adding 230 CFM and 144" of water lift to your existing portable or truckmount for unmatched performance on long hose runs. "Daisy-chain" multiple boosters to complete even the biggest jobs more efficiently. We've also added a full-size Lint Hog™ filter, which protects the Air Hog™ Plus and pump-out from carpet fibers and pet hair.

NEW ITEM
