Battery Operated Solution Sprayer

Go wireless

Pre-treating carpet and hard surfaces is a snap with the Big B.O.S.S.™ Battery Sprayer! With this powerful and innovative unit, now you don't have to be tied to a power cord and an electrical outlet for your spraying needs.

This battery-powered unit is designed for continuous heavy-duty use, and offers an on-board battery and universal Intellicharger. The Big B.O.S.S.™ sprays up to 60 gallons per charge, and pumps at an impressive 60 PSI.

The Big B.O.S.S.™ features a 5-gallon lift-off tank for easy filling and draining, a 15' coiled solution hose and storage basket. Don't let power cords tie you down, and put our mobile Big B.O.S.S.™ Battery Sprayer to work for your carpet cleaning business today!
