- 1 Wheel on the handle assists loading the machine into trucks.
- 2 Rotomolded polyethylene body resists dents and corrosion, translating into years of dependable service.
- 3 Quick release cord wraps.
- 4 Built in 45° elbow for easy draining into toilets.

The 2-jet wand, 4093251, is an economical choice for customers wanting a stainless steel wand.

The Hydroglide wand, 4093241, features a nylon glide and a streamlined design to increase airflow and reduce operator fatigue.

For repairs and maintenance the tip-back feature of the Rally allows easy access to the vacuum motors, pump and heater.

DO NO HARM™

Cleaning with hot water is substantially better than cleaning with cold. The heated models allow better cleaning while using less or even no chemicals.
