

Alpha Series

Cord-Electric Wet/Dry Vacuums

Alpha wet/dry vacuums are the economical choice for years of dependable operation.

- Four tank sizes: 24, 16, 8 and 4-gallon for any size job.
- A powerful 1.34 HP motor provides an incredible 106 CFM of air flow.
- Durable and corrosion resistant polyethylene tanks.
- Front casters and rear wheels make the Alpha 8, 16 and 24 models both stable and maneuverable.
- Each Alpha includes a professional wet/dry attachment tool kit and features a one-year warranty.
- Add a Front Mount Squeegee to the Alpha 24 for large-area wet pick-up.

	1 year limited	

- ❶ Powerful 1.34 HP motor moves an incredible 106 CFM of air.
- ❷ Heavy-duty clamps hold the powerhead onto the tank for all Alpha models.
- ❸ The front caster configuration allows for amazing maneuverability.
- ❹ Wide set rear wheels provide a stable base, reducing the possibility of machine tipping.
- ❺ Drain hose on the Alpha 16 and 24 permits quick and easy tank emptying into any convenient waste water drain.
- ❻ Sturdy, tank-mounted handle on the Alpha 16 and 24 allows easy transport from job to job.
- ❼ Each Alpha comes with an 8 ft hose, wand, squeegee tool, carpet tool, round brush tool and crevice tool.

DO NO HARM™

The front mount squeegee, which aids in large-area wet pick-up, helps reduce the operator fatigue often associated with a hose and wand.

The 548 sq in filter in the Alpha 24 captures fine dust to maintain indoor air quality.

The quiet operation (72 dBA) allows extended use in daytime cleaning environments.
