

SCE-4

4-GALLON SELF-CONTAINED EXTRACTOR

PROVEN DURABILITY & PERFORMANCE WITH OPERATION INSTRUCTIONS IN CLEAR VIEW

You can pretty much train yourself how to use this machine in a matter of minutes - and the unit does the rest. If you have new or experienced operators, there is no need to worry – the carpet will be clean.

WAND &
UPHOLSTERY
TOOLS
AVAILABLE

- A** Handle folds down – unit at 23” high makes it easy to store or transport
- B** Operating instructions on the handle – they go wherever the unit goes!
- C** No denting or corrosion with high quality rotomold construction
- D** Proven durability – key components used in industry applications for over 20 years
- E** Reduced risk of streaking – each jet has its own pre-filter
- F** A unique floating brush deck for even carpet agitation

APPLICATIONS:

The SCE-4 can be used by virtually anyone due to its on-board operation guide - making it a very useful tool that is Purpose Built™ for:

- BSC route cleaning programs – offices, banks, med-clinics and many others
- Classroom, patient rooms and hotel rooms
- Hallways
- Carpeted islands in retail
- Facility offices and conference rooms
- Entry-ways and lobbies
- Rental programs – commercial or residential usage
- Upholstery cleaning (with attachments)
