## 3-SPEED AIR MOVER

### LIGHTEST AIR MOVER IN THE MARKET MAKES STACKING & STORING SIMPLE

When the air mover's job is done for the day, it has to be stored – and storage space is at a premium in most facilities. This light-weight air mover is easy to stack or place on a shelf – ready for the next time. Don't break your back or your budget – use the lightest air mover available.

- A** Store & stack without strain due to the lightest design in the industry
- B** No denting rotomold construction
- C** 3-speeds to match your drying needs

### APPLICATIONS:

The AM-3 keeps your facility dry and back pain down by virtue of being the lightest in its category. It is Purpose Built™ for drying carpets or hard floors quickly in all types of facilities – including yours.
