

SPE-2.5

2.5-GALLON SPOTTER - WITH AND WITHOUT HEAT

BRING THE HEAT TO YOUR CARPET SPOTTING AND UPHOLSTERY CLEANING

Carpet cleaning is just better with heated water – and, it reduces your need for chemicals. By definition, spots and stains are the toughest challenge to your carpets and the SPE-2.5 makes it easier.

- A** Integrated handle for easy transport from spot-to-spot
- B** 750W heater increases water temperature by up to 45 degrees (heated model)
- C** Max maneuverability from unique, integrated 4-caster design
- D** Extra reach with 8 ft solution and vacuum hose
- E** Rotomold body construction & stainless steel hand tool (heated model)

APPLICATIONS:

The SPE-2.5 is available with or without heat - it is Purpose Built™ for removing the spots and stains in your carpets, upholstery, drapes and other fabric coverings in your facility.
