

# WAV-26

## 26" WIDE AREA UPRIGHT VACUUM

### ONLY 26" UPRIGHT VACUUM TO FEATURE CRI CERTIFICATION, HEPA FILTRATION AND ON-BOARD TOOLS

The WAV-26 is the newest and most advanced 26" wide area upright vacuum in the industry. With this upright vacuum, Pacific Floorcare™ ensured that you'd be equipped with latest features and specifications.

- A** Leading sound levels at <70 dBa
- B** 33% larger bag capacity than competitive 26" upright vacuums
- C** Only upright wide area vacuum with HEPA filtration
- D** Only 26" upright wide area vacuum available with full set of on-board tools
- E** Only 26" upright wide area vacuum with CRI Seal of Approval
- F** Extended life due to rotomold construction and dual motor thermal protection.

### APPLICATIONS:

The WAV-26 is a high-capacity upright vacuum – meaning it maximizes productivity while keeping maneuverability at a premium. The WAV-26 is Purpose Built™ for daily vacuuming of:

- Medium hallways
- Large entry mats and lobbies
- Large rooms with multiple obstacles
- Many other carpeted spaces
- Detailing of banquet rooms

### GENUINE SERVICE PARTS PURPOSE BUILT™ TO PROVIDE MAX PERFORMANCE

Why buy a copy when you can get the original parts – the ones actually used in the machine's original design work the best. Not only do you get maximum performance, but you also reduce hassle and downtime. Be sure to contact Pacific Floorcare or a local authorized distributor when you need authentic service parts.
