Hexquisite® Trays

Food with As Much Style As Taste

The Hexquisite® catering system is designed to serve both style and performance at the table. It's a collection of glossy black hexagon-shaped plastic trays and bowls that interlock, making a variety of elegant honeycomb arrangements possible.

Safe Travels

Their high impact material, combined with an angled design, resist flexing in transit to the big event. And stacked trays lock in position on the lids to reduce sliding the sandwiches while on the road.

Domes Do Double Duty

High-clarity domes make every dish an attraction. And nothing whets the appetite like a beautiful presentation! Canapés and crudités, cold cuts and cheese cubes, cookies and cannolis are a mouth-watering mosaic. And the domes can be used as risers or inverted to hold ice.

Hexquisite catering trays and bowls work with the Dual Color container line to build eye-catching displays.

Features	Benefits
Strong, High Impact Material	Resists flexing and cracking.
Stronger Domes	Support more stacking weight.
Stacking Feature	Stacked base locks in to dome, reducing sliding during transport.
Easy On, Easy Off Domes	Help prevent food disturbance and lessen the chance of cracking during removal.
High Clarity Domes	Maximize food presentation.
"Interlocking" Hexagonal Design	Allows for a variety of table layouts in a compact space and creates a unique look to presentation.
Versatile Domes	**Serve as risers or ice chests when placed under trays.**

Catering Products

ClearView™ SmartLock® Dual Color Containers

Containers That Click with Customers

People on the go or on the job extra hours can reach for a quick lunch on the run or at the desk in ClearView™ SmartLock® Dual Color Containers. These attractive, clear-dome, black-base containers come in a variety of shapes and sizes to extend your options for merchandising with Hexquisite® catering goods. The "click" lets you know they're securely closed to help prevent spills. And they stay closed to help keep food fresh as well as protected.

Dual Color Containers are perfect for salads, sides, sauces, sandwiches, fresh fruit and all your catering needs.

Features	Benefits
SmartLock® Closure System	Easy to close. Aids in employee efficiency.
Audible Click Closure	**Indicates a positive close. Helps maintain freshness.**
Secure Closure	Helps resist leaks.
Durable Hinge	Flexible enough for easy closure. Resists breaking.
Positively Stackable	Added strength for more secure stacking, enhancing merchandising.
Smooth Panels	Allow for easy labeling.

SmartLock® Caterware®, Eclipse® Tray & Shrimp Server

Damage Control

The SmartLock® closure is available on sizes 12", 16" & 18" both flat and lazy susan trays. This feature enables the dome to securely attach to the base even if the dome cracks. The bases and lids also interlock– providing superior stacking capabilities.

SmartLock® Plastic Trays make a dramatic statement at the table with their black, glossy finish and contemporary, upscale styling. Paired with great food, they become elegant entertainers at any event. They're strong enough for maximum support and a disposable, cost-effective alternative to china.

Dress for the Party

Pactiv's *Eclipse* Tray offers operators a scalloped rim to meet the needs of many applications.

Showcase the Shrimp

Our Caterware® *Eclipse* Shrimp Server shows off the ever-popular appetizers while it improves portion control with a unique counting feature that makes it easy to serve up exactly 30 shrimp. Operators save time and money on the popular shrimp cocktail!

Features	Benefits
Wide Variety of Sizes, Shapes and Designs	Provides a tray for every application.
Cost Effective	Economical alternative to permanentware.
Strong, High Impact Material	Provides optimal support.
High-Gloss Black Finish	Gives a contemporary, upscale appearance.
SmartLock **Closure (excludes Eclipse® Trays)**	**Maintains a secure closure even if the dome is damaged. Ideal for rework.**
Counting Feature (Shrimp Server)	Improves portion control and facilitates product placement.
Internal Drip Ledge (Shrimp Server)	Helps keep moisture in and prevent liquids from running down the side of the container.

Catering Products

Aluminum Deluxe Caterware® Trays

Put Out the Silverware
What looks like sterling silver etched with a tapestry pattern but offers the convenience and economy of disposability? Aluminum Deluxe Embossed and Printed Serving Trays. Traditional round, divided lazy susan, oval and oblong shapes shine like the good stuff and set the standard for fine catering. They're ideal for both hot and cold applications.

The Aluminum line includes complementary Caterbowl® Shells in two sizes, to hold seafood, pasta, potato and gelatin salads.

Features	Benefits
Wide Variety of Sizes, Shapes and Designs	Provides a tray for every application.
Upscale Aluminum Design	Simulates the look of silver with disposable convenience.
Strong Heavy Gauge Aluminum	Provides needed strength and durability.
Heat Stable	**Allows hot foods to be displayed at or held to temperature without compromising the integrity of the tray.**
Recyclable	Easily recycled with other aluminum items.
Cost Effective	Produces labor savings, quick cleanup.

Signature® Steam Table Pans

Full Steam Ahead
Buffets present an upscale image when food is served in Signature® Steam Table Pans with matching gold covers.

Their black-and-gold styling is elegant compared to typical aluminum steam table permanentware that looks as though it just came from the kitchen. They can be placed on a chafing rack or warming table. And they're an economical alternative, too, when you factor in the savings in cash investment and the disposability.

Features	Benefits
Black and Gold Base	Presents an upscale image.
Gold Covers	Coordinate with bases for a complete presentation.
Cost Effective	Disposability and convenience creates labor savings with speedy cleanup.
Sturdy Aluminum Material	Provides strength and durability.
Versatile	**Prepare, bake, store, transport and serve in one container. Use on chafing rack or warming table.**
Recyclable	Easily recycled with other aluminum items.

Caterware® Caterbowls,® Utensils & Egg Insert

Black Tie Required
Caterbowl® Serving Bowls, formally attired in gloss black, are the appropriate accompaniment to the entire Caterware® line. They can stand alone or fit in the center of a lazy susan. Portion-size *Caterbowls* hold pickles, olives, dips and condiments.

Caterware Catermate® Utensils are designed as accessories to *Caterware* trays, bowls and steam table pans and include matching serving spoons, forks and tongs.

Display and merchandise deviled eggs in Pactiv's *Caterware* Egg Insert, which is also great for other hors d'oeuvres, such as stuffed mushrooms, that need to nest. The 24-count insert is designed to fit into our 12-inch trays.*

Features   Benefits

Caterbowl Serving Bowls

High-Gloss Black Finish	Complements entire line of *Caterware* products.
Wide Bases	Provide stability and resists tipping.
Full Snap Closure	Secures lid and creates a leak-resistant seal.
Stacked Bowls Lock in to Domes	Reduces sliding during transport.
Variety of Sizes	Provides a bowl for several applications.

Caterware Egg Insert

Works with Existing Catering Trays*	Provides a cost-effective egg packaging option.
Elegant Presentation	Improves merchandising of food, promoting impulse sales.
Secure Fit	Helps prevent product damage during handling.
Versatile	**Insert can also be used for hors d'oeuvres such as stuffed mushrooms or canapés.**

*The 24-count Egg Insert fits Pactiv's 12-inch catering trays, item numbers 9512KWP and 94412KWP.

These guidelines are supplied to assist you in determining the proper use of Pactiv products. They are based upon testing and published guidelines and are reliable in most applications. However, because every food supplier's recipes, ingredients, processes and supply chain is unique, these guidelines are not a substitute for product testing. Confirmation of product acceptability under your specific conditions of use must be done by you.
