

# PULLMAN-HOLT

**A drum vacuum gives you plenty of capacity for the big commercial, industrial jobs:**

**Wet:** floods, spills, slurry's, oils etc.

**Dry:** dust, debris, construction materials, clean workbenches, machines, parts etc.

- Popular 2-hp, 2-stage long-life motor sits atop a steel drum to create the ultimate in vacuum recovery.
- Features an unsurpassed 55 gallons in wet recovery and 7.2 bushels of dry capacity.
- Offers superior vacuum recovery, ranging from dry, light particulates, to wet, heavy debris.
- Steel dolly features four each 3" non-locking casters.
