

It's a dirty job.
And we've got the gloves for it.

Protect the hardest working hands in your kitchen.

The hands that take care of cleaning your pots, washing your dishes and sanitizing your equipment deserve top protection. San Jamar has a full line of gloves that will handle all of your chemical and heat protection requirements.

You'll find a glove that fits your requirements for every area of your kitchen. Each glove is constructed of high quality materials and designed for comfort and safety.

		APPLICATIONS
