

Air Care

Dry Deodorizers - Hand-held

Dry represents yet another evolution in room deodorizers. This breakthrough formulation contains all of the performance one might expect from a dry-type freshener. With a convenient spray-thru cap and ultra-fine spray pattern, you can now deodorize a room with ease.

Excellent bloom and suspension time, ultra-fine particles, no fall out or residue are just some of the product attributes that differentiate these products from standard deodorizers. What is truly remarkable about these products is the incredibly dry spray provided without the use of ozone depleters. In fact, these products contain less than 30% total VOC content.

Also in the formulation is not one, but two odor counteractants. Each is specifically formulated to alter malodor molecules to destroy odor at the source. The combination of the dual system with advanced fragrances provides so much more than just an air freshener. Dry deodorizer technology is *true* odor control.

Metered Air Care

Utilizes the same basic high performance chemistry of our dry deodorizers. These special aerosols are designed to work in the Pace Metered Air Care Dispenser and other metered dispensers.

The metered valve delivers precise spray volumes in an ultra fine mist to effectively freshen rooms up to 6,000 cubic feet and is versatile enough to use virtually everywhere.

Featuring a universal, non-proprietary actuator, these aerosols are for use in most time dispense machines available in the market today.

ODOR NEUTRALIZER #05269

An effective odor neutralizer without a prominent fragrance.

- Metered aerosol dispenser refill
- Ultra-dry formula for extended suspension time
- Light Vanilla fragrance
- Universal "tip" actuator
- Low VOC content - 50 state compliant

CLEANAIR METERED AIR SANITIZER & DEODORIZER #05015

Effectively eliminates odors by killing odor causing bacteria from the air when used as directed.

- Metered dispenser refill for automatic air sanitizing
- Don't just deodorize, sanitize - remove bacteria from the air
- Chemically bonds to malodor molecule to kill odor source
- EPA Registered
- Nonflammable, ultra-dry, hydro-alcoholic formula
- Low VOC content with less than 30% by weight
- Contains no petroleum distillates or hydrocarbon propellants
- Universal actuator fits most dispensers

BABY POWDER #05030
BAYBERRY #05024

CINNA-MIST #05177
MOUNTAIN FRESH #05225

ODOR NEUTRALIZER #05233

An effective odor neutralizer without a prominent fragrance.

- Hand-held room deodorizer
- Ultra-dry formula for extended suspension time
- Light Vanilla fragrance
- Low VOC content - 50 state compliant

BABY POWDER #05259
BAYBERRY #05260
CINNA-MIST #05261
FRESH LINEN #05034
LAVENDER MIST #05032
MANGO #05204
MOUNTAIN FRESH #05268
PLEASCENT SCENT #05278
SUNSHINE AIR #05267
WHITE TEA #05033

Pace Metered Air Care Dispenser #05307

An attractive and practical multifunctional dispenser that is simple to program. State-of-the-art chip technology allows complete programming with only three slide switches. Sensor stops normal spray operation when door is open, preventing unintentional discharges into eyes or face. Flashing green light indicates dispenser is fully functioning. Change battery and can warning lights flash to notify operator unit needs service. Unit will dispense 3,000 and/or 9,000 spray cans. 5 year warranty. Color: Neutral

Color: Neutral

Why Choose Aerosols?

Labor Savings - Aerosols are premixed and ready-to-use. Aerosols eliminate mixing, pouring, measuring and clean up.

Efficiency - The engineering in an aerosol allows products to be designed so that the you can quickly and precisely place the exact amount of product where you want it, how you want it, when you want it. It's that simple!

Accuracy - Because aerosols are pre-mixed and sealed, the exact dosage will be dependably and accurately delivered with each spray.

Economical - Due to the mechanics of aerosols, the proper amount of a product's active ingredient can be delivered without excessive carriers so the product will most often be more concentrated than in a normal liquid. The valve systems provide superior control over dispensing volume for maximum effectiveness per spray.

Safety - Aerosols are hermetically sealed and therefore spillproof, leak proof and tamper-resistant. The air tight seal also allows for use when sanitary or hygienic circumstances are required because they can be handled easily without contamination concerns.

Label - Each can is properly labeled and is in compliance with the Department of Transportation (D.O.T.) Regulations.

Convenience - Today's society is one that pushes buttons – put the benefits of aerosol technology at your finger tips.

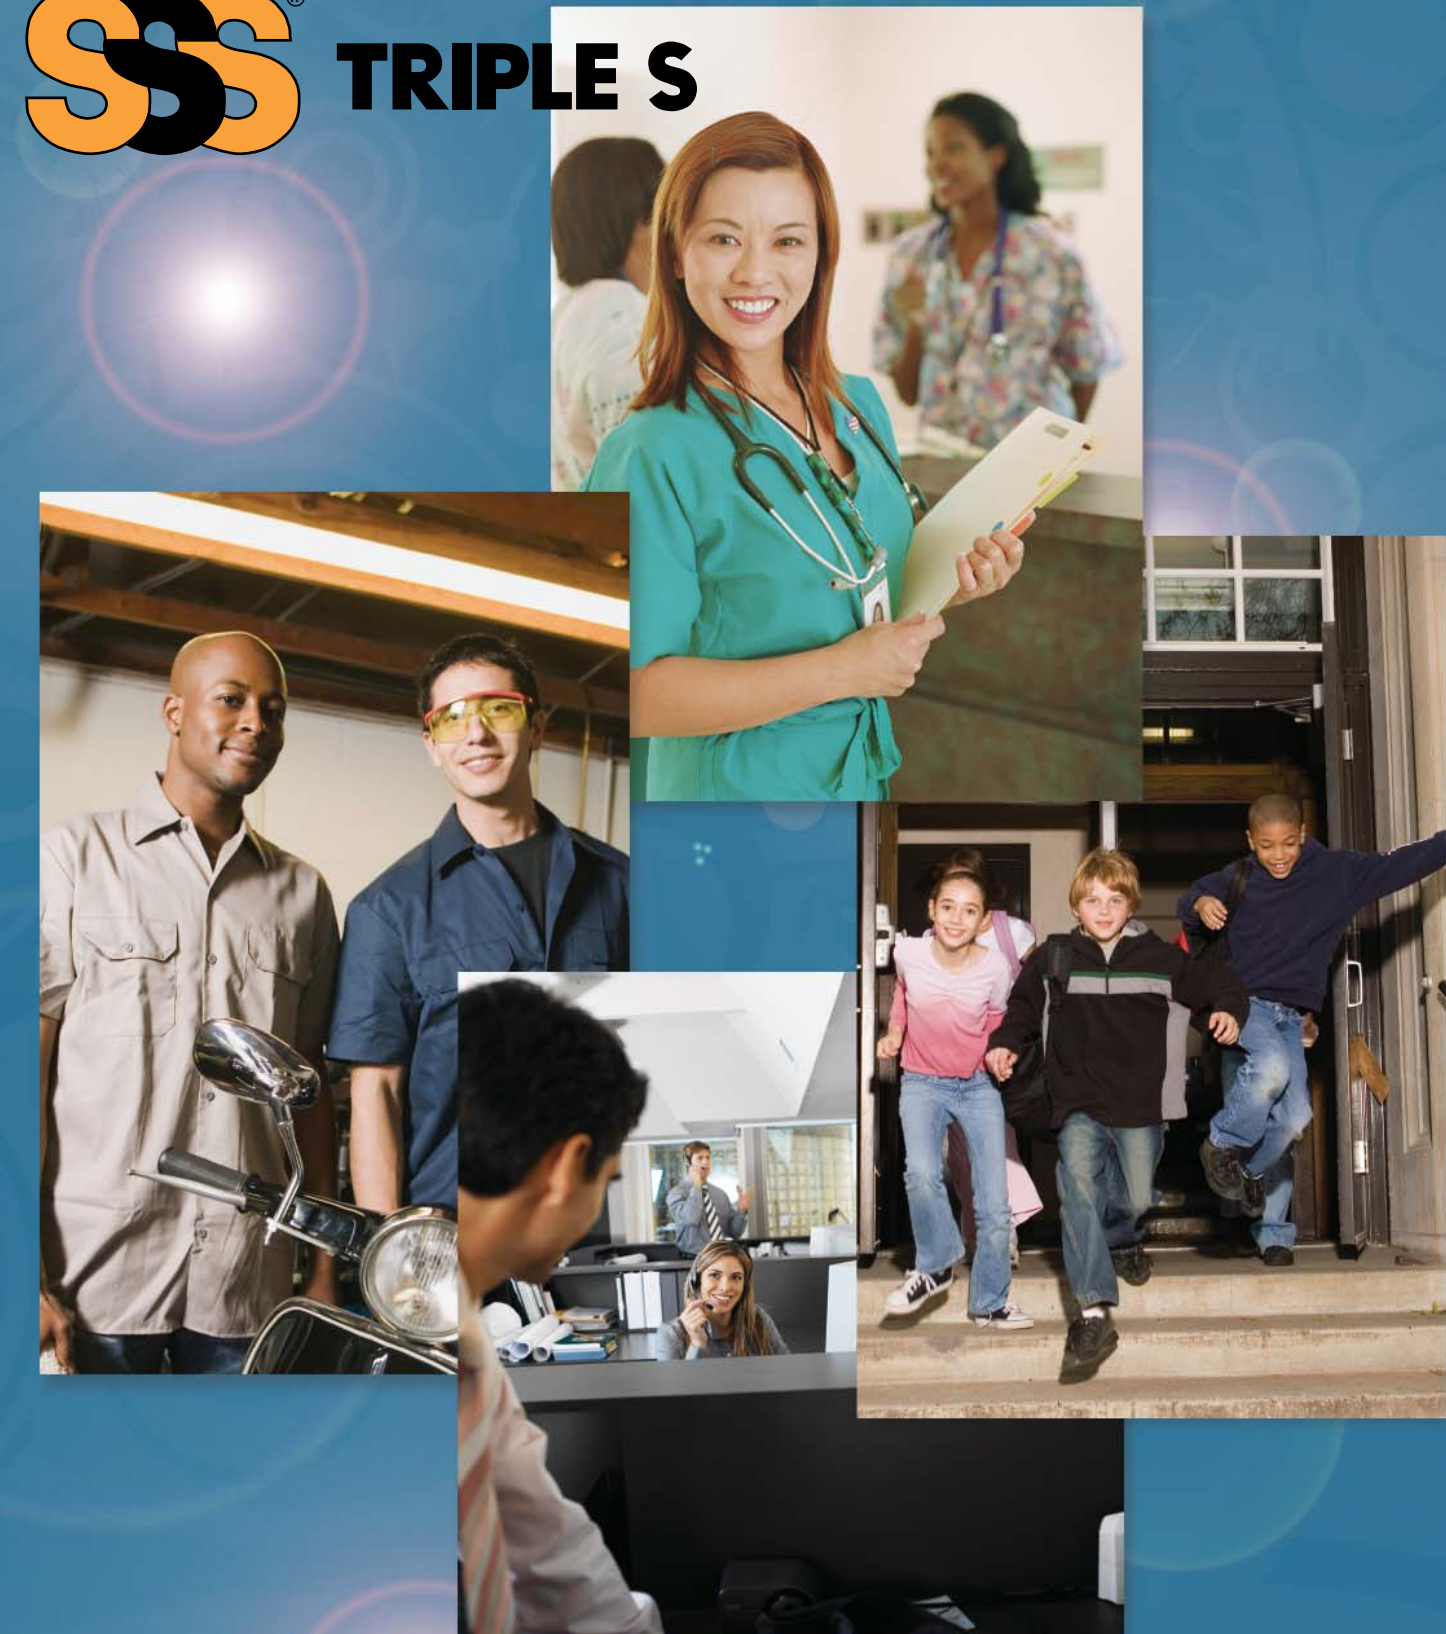

PLEASE RECYCLE
WHEN EMPTY

Most aerosol cans are made of steel and can be recycled along with any other steel containers. Post-consumer steel cans, which include aerosols are in demand because steel furnaces require recycled steel to make new steel. Today's steel aerosol cans are manufactured with an average of 25% recycled content.

Professional Aerosols
for Housekeeping, Industrial, Healthcare and Education

Cleaners & Polishes

CREAMY LEMON WAX FURNITURE POLISH #05014

- A superior polish made with a blend of waxes, lemon oil and cleansing agents.
- Wax & lemon oil-based creamy polish for traditional wood
 - Restores damaged surfaces
 - Gives furniture a deep, rich luster that lasts
 - 360° valve allows can to spray at any angle
 - Pleasant lemon fragrance

LEMON OIL FURNITURE POLISH #05151

- The ideal polish/cleaner for use on formica, metal, plastic and vinyl furniture.
- Silicone & lemon oil polish for synthetic wood finishes & metal
 - Imparts a deep, clear gloss with no fingerprinting
 - 360° valve allows can to spray at any angle
 - Pleasant lemon fragrance

LEMON SPRAY WAX POLISH #05001

- A high gloss polish for fine furniture, paneling, metal cabinets, etc.
- Hard finish resists dust, grime, smudges & water
 - Leaves a deep, clear gloss
 - 360° valve allows can to spray at any angle
 - Pleasant lemon fragrance

CITRAPEEL ALL PURPOSE CLEANER & DEGREASER #05178

- A high foaming, nonflammable, all-purpose cleaner.
- Green/citrus formula
 - All organic, biodegradable, environmentally preferred formula
 - Water-based with advanced foaming action
 - 360° valve allows can to spray at any angle
 - Pleasant floral fragrance

UTILITY CLEANER #05004

- A medium foaming non-abrasive cleaner ideal for general purpose cleaning of virtually any institutional surface.
- Medium-duty formula
 - Fortified with ammonia
 - Water-based with advanced foaming action
 - 360° valve allows can to spray at any angle
 - Pleasant floral fragrance

CHALKBOARD & WHITEBOARD CLEANER #05156

- Formulated to clean whiteboards as well as traditional slate chalkboards.
- Will not harm whiteboard finish
 - Non-ammoniated formula
 - Removes dust & marker residue
 - Restores surface & removes ghosting
 - 360° valve allows can to spray at any angle
 - Pleasant floral fragrance

MULTI-SURFACE CLEANER & POLISH #05300

- Specially formulated to clean and shine a variety of surfaces.
- For laminates, stone, metal & more
 - Cleans, shines & protects with UVX & SFX
 - Leaves no greasy oils film
 - 360° valve allows can to spray at any angle
 - Pleasant fresh fragrance

STAINLESS STEEL CLEANER #05202

- A water-based stainless steel cleaner, formulated to clean and polish all types of stainless steel.
- Water-based cleaner/polish
 - Cleans, protects & polishes
 - Leaves no greasy oily film with no fingerprinting
 - 360° valve allows can to spray at any angle
 - Pleasant lemon fragrance

METAL CLEANER & POLISH #05013

- A blend of special cleaners and polish oils specifically designed for use on stainless steel and other metal surfaces.
- Oil-based cleaner/polish
 - Cleans, protects & polishes
 - Leaves an ultra high gloss film
 - Pleasant lemon fragrance

Specialty Care

OVEN & GRILL CLEANER #05023

- A heavy-duty formula that cleans fast in both warm and cold ovens, yet is pleasant and easy-to-use.
- Aggressive caustic formula
 - Thickened formula clings to vertical surfaces
 - 360° valve allows can to spray at any angle
 - Very aggressive, heavy-duty formula
 - Easily removes baked on deposits

CENSOR VANDAL MARK REMOVER #05011

- A special blend of cleaners and solvents formulated to remove stubborn marks from nonporous surfaces.
- Removes paint, ink, graffiti, crayon, lipstick, etc.
 - Helps remove decals, stickers, labels & other adhesive applied materials
 - Contains no chlorinated solvents or ozone depleters
 - Controlled nozzle reduces overspray
 - Excellent for horizontal or textured surfaces

STONE MASTER CLEANER & PROTECTOR #05239

- A protective spray that cleans and protects stone surfaces.
- Cleans, protects & polishes natural stone surfaces
 - Contains no caustic or abrasives
 - Protects against dust and spills
 - 360° valve allows can to spray at any angle
 - Ideal for use on polished granite, marble, limestone, etc.

Glass Cleaners

HEAVY-DUTY GLASS CLEANER #05238

- A versatile, extra strength, alcohol-based product.
- Non-ammoniated formula
 - No streaking, hazing, smearing or residue
 - Environmentally preferable formula
 - 360° valve allows can to spray at any angle
 - Lemon fragrance

CLEAR DAY GLASS CLEANER #05303

- An aggressive and versatile glass cleaner is specially formulated for outdoor and indoor glass surfaces.
- Non-ammoniated formula
 - Heavy-duty performance for indoor or outdoor exposed glass
 - Quickly cleans glass, mirrors & more
 - 360° valve allows can to spray at any angle
 - Pleasant fragrance

GLASS CLEANER #05002

- An ammonia-based, fast foaming product that quickly surrounds and lifts out soils.
- Traditional ammoniated formula
 - No streaking, hazing, smearing or residue
 - Water-based aerosol with light foam
 - 360° valve allows can to spray at any angle
 - Pleasant mint fragrance

Insecticides

DOUBLE ACTION CRACK & CREVICE #05277

- Broad spectrum residual insecticide with flushing agent.
- Water-based flying and crawling insect killer
 - Synergized Pyrethrin 0.10% & Permethrin 0.2%
 - Residual kill for up to 3 months
 - Dual spray pattern (mist/stream) aerosol
 - Nonflammable
 - Neutral fragrance

FLYING INSECT SPRAY #05008

- Dual synergized 0.2% Prallethrin next generation insecticide.
- Kills flies, mosquitoes, & many more insects listed on back panel
 - Convenient spray-thru cap with ultra-fine spray pattern
 - Approved for use in food prep & food processing areas
 - Non-staining, water-based, nonflammable
 - No fragrance
 - Compliant in all 50 states

SURE SHOT PLUS WASP & HORNET #05257

- Utilizes a synthetic pyrethroid for controlling wasps, hornets, yellow jackets and bees.
- Solvent-based insecticide
 - Synergized Tetramethrin 0.10% & Permethrin 0.25%
 - Nonflammable & nonconductive to 47 KV
 - Produces a jet stream reaching 20 feet
 - Indoor/outdoor use
 - Neutral fragrance

Floor Care

BASEBOARD STRIPPER #05298

- A nonflammable, heavy-duty, foaming finish and wax stripper with an inverted valve that allows cleaning and stripping of areas a floor machine can't reach.
- Foaming baseboard cleaner
 - Easily removes wax & finish buildup
 - Dense foam clings to vertical surfaces & corners
 - Inverted valve actuator allows use while standing
 - Paint & plastic safe formula

DUST MOP TREATMENT #05010

- An economical, easy-to-use method of dust removal from any surface.
- Water-based formula
 - Treat dust mops, cloths, mats, HVAC filters
 - Spray on mop and go - will not impart oily residue on surface
 - 360° valve allows can to spray at any angle
 - Pleasant floral fragrance

CHEWING GUM REMOVER #05224

- Removes chewing gum from carpet, tables, chairs, floors and other nonporous surfaces.
- Freezing action formula
 - Effective on wax, gum & adhesives
 - Contains no harmful solvents
 - Blasting action quickly freezes deposits
 - Suitable for use on nonporous surfaces

HEAVY-DUTY CARPET SPOT REMOVER #05302

- A specially formulated carpet stain remover that cleans and degreases stains and spots on carpet.
- Effective on water & solvent-based soils
 - Fortified with enzymes for added odor control
 - Inverted valve actuator allows use while standing
 - Pleasant fresh fragrance

Maintenance

CONTACT & CIRCUIT BOARD CLEANER III #05236

- A fast-drying formula that leaves no residue.
- Fast-dry electronics cleaner
 - Removes dirt, dust, flux & light oils
 - Compatible with plastics
 - Nonconductive to 25,000 Volts
 - Will not "freeze out"

SILICONE LUBRICANT II #05220

- A heavy-duty silicone (10,000 centistoke) specially formulated to provide superior all purpose lubrication and protection without the use of ozone depleters or chlorinated solvents.
- Industrial grade wet silicone spray
 - High viscosity colorless, odorless, non-staining film
 - Compliant in all 50 states. Approved for CA & OTC states.
 - Conical mist spray pattern with extension tube
 - No chlorinated or fluorinated solvents & hexane free

CONTACT & CIRCUIT BOARD CLEANER V #05301

- Formulated for the Electronics, Healthcare, Communications & Media, Aeronautical and Electronics Servicing industries.
- Fast-dry, nonflammable electronics cleaner
 - Removes dirt, dust, flux & light oils
 - Compatible with most plastics
 - Nonconductive to 12,000 Volts
 - Will not "freeze out"

SAFETY SOLVENT #05019

- A special formulation that is nonflammable and nonconductive.
- Fast-dry, nonflammable chlorinated formula
 - Leaves no residue
 - High-flow blasting action spray
 - Nonconductive to 29,000 Volts
 - Not recommended for prolonged contact with plastic

PENETRANT LUBRICANT & MOISTURE GUARD #05040

- Use to loosen, clean and lubricate frozen nuts, bolts and moving parts.
- Nonflammable formula
 - Penetrates, lubricates, displaces moisture; resists corrosion
 - Fortified with P.T.F.E.
 - Excellent rust buster
 - Contains no ozone depleters

SOLVENT DEGREASER #05299

- A highly concentrated, all-natural and biodegradable solvent blend.
- Citrus & soy solvent-based
 - No chlorinated or fluorinated solvents or petroleum distillates
 - Nonconductive to 29,000 Volts
 - Environmentally preferable formula

Disinfectants

DISINFECTANT DEODORANT #05003

- A powerful nonflammable, phenolic based disinfectant deodorant which acts quickly to control pathogenic or disease-causing organisms.
- Hospital-type grade phenolic/alcohol-based disinfectant & deodorant
 - Kills hospital trio, HIV-1, TB, controls mold, mildew & more
 - Excellent multiuse product
 - Fresh & clean fragrance

FOAM DISINFECTANT CLEANER #05006

- Cleans, disinfects and deodorizes in one step.
- Hospital-type grade, quat-based disinfectant cleaner & deodorizer
 - Cleans, disinfects & deodorizes
 - High foaming action for extended dwell time
 - 360° valve allows can to spray at any angle
 - Fresh & clean fragrance
