### What the Pros Know

Economy and performance are built into this hand dishwash detergent. It is mild to skin and tough on grease. This pink lotion detergent is designed for institutional and commercial applications and provides the long-lasting, stable foam needed for high volume operations.

- Economical detergent - Performance and value
- Contains biodegradable surfactants - Environmentally safer
- Hard water performer - Excellent grease cutter
- Skin conditioners - Gentle to skin
- Dense foam rinses freely - No spots or streaks
- Phosphate free

This is a low cost hand dishwash detergent designed to rinse freely without spots or streaks. This manual dishwash product effectively cleans and cuts grease on dishes, pots, pans, cutlery, tableware and other foodservice items. Formulated with skin conditioners for use in continuous dishwashing operations.

### Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

Use 3 ounces of detergent per 4 gallons of warm water.

For best sudsing, add the detergent as the warm water enters the sink. Continue washing until half of the dish water is visible through the suds. Drain water and start again with fresh detergent and water.

Economical  
detergent

•  
Phosphate  
free

•  
No spots  
or streaks
