

NAVIGATOR

Dilution Control System

Product Description

Atlas is a hydrogen peroxide, multi-purpose cleaner degreaser and is formulated to meet strict environmentally preferable requirements without sacrificing performance. It is also an effective odor neutralizer against the toughest malodors in grease traps, drains and disposals. It can be used in a mop and bucket, auto scrubber and pressure washer application. It is effective against both oil and water based soils and leaves no sticky or soapy residue to attract soils. The low odor feature of this product makes it a pleasant product to use.

Atlas Multi-Purpose Cleaner Degreaser has been 3rd party certified by Green Seal™ according to GS-37 Environmental Standard and is recognized by the U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative.

Why It's A Better Cleaner

- Pleasant fragrance - Desirable to use
- Multi-purpose - Varied applications
- Non-filming - Leaves no sticky residue
- Concentrated formula - Economical to use
- Cold water effective - Energy savings

How It Cleans

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Dispense precisely diluted multi-purpose cleaner degreaser into an empty and properly labeled Navigator RTU #23 Atlas Multi-Purpose Cleaner Degreaser container.

2. Apply solution to surface to be cleaned.
3. Allow this product time to penetrate and disperse the soil and contaminant.

4. Scrubbing with a sponge, cloth, pad or brush may speed up the cleaning action.
5. Once soils are loosened simply wipe or wash away with a cloth or water. No rinsing is necessary.

* This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.

* This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.
* Este producto cumple con los requisitos de Green Seal™, en cuanto a su norma ecológica para limpiadores industriales e institucionales, según su toxicidad reducida para los seres humanos y la vida acuática y su potencial de smog restringido.

23 ATLAS MULTI-PURPOSE CLEANER DEGREASER

Where It Cleans

Atlas Multi-Purpose Cleaner Degreaser can be used in any facility where an environmentally preferred product is desired for floors, walls, counter tops, cabinets, painted surfaces, glazed porcelain, stainless steel, vent hoods, food service areas, enameled metal, terrazzo, granite, concrete, ceramic tile and high traffic areas. It is also an effective product against undesirable odors in restrooms, locker rooms and institutional kitchens. The low odor qualities of this product makes it a most desirable product for health care facilities.

Technical Data

Packaging (concentrate)	2/2 Liters per case
Product Number	13167
Physical State	Liquid
Color	Clear Orange
Odor	Low
pH	4.5 - 5.5
RTU pH	6.0 - 7.0
VOC's	< 1%
Foam Level	Low
Freeze/Thaw Stability	Excellent
Solubility in Water	Complete
RTU Yield Low-Flow	516 Quarts per case
RTU Yield High-Flow	129 Gallons per case

NAVIGATOR 2-Liter bottles are designed to be used in the NAVIGATOR Dilution Control System.

CONTAINS H₂O₂ Hydrogen Peroxide
