

NAVIGATOR

Dilution Control System

Product Description

Infinity Glass Cleaner is a highly concentrated glass and light utility cleaner that dissolves, suspends and removes soil from glass and other hard surfaces. This product is environmentally preferred, effective and leaves no residue there by helping to prevent re-soiling. Glass and Surface Cleaner can be used in a spray and wipe or sponge and squeegee application and contains no ozone depleting compounds and is non-toxic to aquatic life.

Infinity Glass Cleaner is a **UL environmentally preferable product.**

Why It's A Better Cleaner

- Highly concentrated - Multiple applications
- Film free - Helps prevent re-soiling
- Contains no ozone depleting compounds - Safer for the environment
- Nonflammable, noncombustible - User friendly

How It Cleans

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Dispense precisely diluted glass cleaner into an empty and properly labeled Navigator RTU #25 Infinity Glass Cleaner container.

2. Apply solution to surface to be cleaned.
3. Allow this product time to penetrate and disperse the soil and contaminant.

4. Scrubbing with a sponge, cloth, pad or brush may speed up the cleaning action.
5. Once soils are loosened simply wipe or wash away with a cloth or water. No rinsing is necessary.

Navigator Dispensers
