- TV screens, computer screens, desktops

Specifications

Available Sizes	4/1G
	1.25G clean works
	2/2L Navigator DCS
Physical State	Liquid
Color	Clear, orange
Odor	Low
pH Range	4.5 - 5.5
VOC's	< 1%
Foam Level	Low
Shelf Life	1 year minimum in unopened container
Freeze/Thaw Stability	Excellent
Solubility in Water	Complete
HMIS Hazard Rating	
Health	1
Flammability	0
Reactivity	0
Personal Protection	A

Description

- High performance multi-purpose cleaner
- Cleans, degreases, brightens and deodorizes
- Effective on oil and water-based soils
- Environmentally preferred
- Formulated to meet strict environmentally preferable requirements

Products marked with the Triple S EarthCare™ seal meet recognized green standards or have features that contribute to the preservation or sustainability of a healthy environment.

Formulated with new environmentally-preferred, high performance technology, this multi-purpose cleaner will dissolve and emulsify all types of soil, grease, oil and other tough stains. It cleans, brightens plus neutralizes odors. Leaves no residue to help prevent resoiling. Ideal for hospitals, schools, kitchens, restrooms, offices, fitness centers, institutions, kitchens, and many other types of facilities.

Atlas Multi-Purpose Cleaner Degreaser has been 3rd party certified by the Green Seal® according to GS-37 Environmental Standard and is recognized by the U.S. Environmental Protection Agency Design for the Environment (DfE) Formulator Initiative.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

This product is formulated to work with cold water. Cold water conserves the energy required to heat water.

1. Dilute 1 ounce per gallon (1:128) with cold tap water.
2. Apply with mop/bucket, sponge, cloth, wiper, autoscrubber, floor scrubber, pressure water or spray bottle.
3. Allow time for solution to penetrate soil.
4. If necessary, scrub with sponge, mop, cloth, pad or brush to speed up the cleaning action.
5. Wipe dry with clean cloth or rinse with clean water if needed. Rinsing is not necessary.

All products displaying the EPA DfE logo have been Formulated in Partnership with EPA Design for the Environment Formulator Initiative.

This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.
