

SSS NexGen™ Healthcare Cleaning Cart Designed *for* Environmental Services

Three locking mop stick holders allow you to secure mops to the cart to prevent misuse.

| ITEM # | PACK | WEIGHT |
|--------|-------|----------|
| 33001 | 1/ea. | 105 Lbs. |

- Carts are structural foam with corner bumpers and non-marking 5" ball-bearing castors.
- JCAHO Compliant: Two locking cabinet doors and waste cover.
- Equipped with three removable trays and a pedal-activated, enclosed 30-gallon waste container.
- Includes three 4-quart pretreat buckets with lids to hold treated microfiber cloths (red, green, yellow).
- Three locking mop stick holders allow you to secure mops to the cart to prevent misuse.
- Two 10-quart red buckets with lids for soiled mops and cloths.
- Optional laundry cart available.

Includes NexGen ErgoTreat™ System

- The NexGen ErgoTreat™ Cart features a unique ergonomic microfiber pretreat bucket system that rotates on casters to eliminate lifting.
- Economical - Two 15-quart blue pretreat buckets treat up to 40 cloths or 10 mop pads at one time, using the proper amount of chemical.
- Efficient - Provides a constant supply of clean, uniformly treated microfiber mops or cloths.
