

1500B HEPA

Battery Operated Backpack Vacuum

1500B HEPA Battery Operated Backpack Vacuum

The 36V lithium-ion battery provides 45 minutes run-time from a single charge

Illuminated battery indicator with easy access on / off switch

- Cordless freedom – battery operation improves productivity significantly, and allows you to go where you want to go - unrestricted.
- Comfort - adjustable back, waist and shoulder straps improve comfort and minimize operator fatigue.
- A 1.5 gallon tank provides the capacity required to do the job.
- The 250 watt vacuum motor with run time of 45 minutes ensures there is plenty of power and operational capacity.
- The 36 volt lithium ion battery charges in 2.5 hours.
- At 16 pounds the 1500B is compact, comfortable and light enough for anyone to use.
- The patented ribs on the inside of the tank ensure no matter how full the bag is you'll still have suction.
- For extended use, consider having an extra battery. One battery on the machine and one in the charger will improve productivity.

Specifications

MODEL	1500B
Item #	33003
Vac Motor	250 watt
Capacity	1.5 gallon
Filtration	99.97% efficiency @ 0.3 micron (HEPA)
Battery	36V lithium-ion
Charge Time	2.5 hours
Run Time	45 minutes
Performance - Water Lift	45"
Performance - Airflow	50 cfm
Noise Level	45 dBa.
Weight	16 lbs.
TUL Approved	Yes
Warranty	10/2/2*

* Battery warranty is 6 months full coverage

Accessories

HEPA-FLO Filter bags (10 pk)	604015-PK
36V lithium-ion battery	604506
36V replacement battery charger	604505
