

STERLING

Center-Pull Roll Towel Dispenser

For foodservice, offices, service stations and anywhere a low cost, “no touch” towel is needed

#52009

Dispenses perforated sheets that are pulled “inside out” from the center of the roll after the core is removed. This popular hygienic model tells your occupants/guests that you care about their good health.

USER SATISFACTION

- Easy to operate for just the right amount of paper
- Clear design to gauge level—prevents empty dispensers!

HYGIENIC PERFORMANCE

- No touch for the ultimate in user hygiene
- Water resistant to keep towels clean and sanitary
- Ideal for HACCP (Hazard Analysis and Critical Control Points) applications in foodservice, cosmetics and pharmaceuticals

UPSCALE IMAGE

- Attractive, high impact plastic in a popular dispenser style

EASY MAINTENANCE

- Durable, low-maintenance design
- Hinge design and cutaway nozzle make reloading easy
- No pinched fingers
- Easy-clean surfaces

ECONOMY

- Simple design with no metal parts for long-lasting durability
- Replaceable door lowers repair costs
- Low-cube nesting design reduces shipping and storage costs

LOWER COST IN USE

- Overlapping joints and water-tight fit between cover and back keep paper dry

STERLING

Center-Pull Roll Towel Dispenser

No touch dispenser for better hygiene.

- Easy installation
- Cover hinged at the bottom for easier installation and servicing
- Paper threads easily through the “cut-away” nozzle
- Removable and fixed key provided
- Mounting hardware is included; optional mounting plate available
