Get the economy and efficiency of rolls...in the small footprint of a folded towel dispenser!

**PROVIDES 100% MECHANICAL
HANDS-FREE SOLUTION FOR
BETTER HYGIENE!**

#52011

Eliminates the inefficiency, mess and waste of folded towels with roll towel performance and economy.

Accommodates the Sterling Select 8" Compact Hardwound Roll Towel (#76307), 12/cs, 500 ft./roll.

Lowest mechanical pull force and the lowest tab-outs in the industry.

LOWER COST IN USE

- New 10" cut length provides a 20% paper savings
- Smaller unit can replace messy, wasteful folded towel models
- Two-handed pull encourages fewer sheets per hand dry

USER SATISFACTION

- Patented technology provides low pull force and dispenses most paper grades without "tabbing"
- Easy ergonomics—no twist or tear
- Conforms to ADA and HACCP guidelines

HYGIENIC PERFORMANCE

- No touch operation for the ultimate in user hygiene—you only touch the paper

UPSCALE IMAGE

- Attractive streamlined exterior
- Stylish, black smoke cover and graphite-gray back

EASY MAINTENANCE

- Quick and easy loading with open access and exposed roll holders
- Easy-clean surfaces and simple installation with available mounting plate
- Reliable operation with few moving parts and no electric motors, batteries, sensors, calibration or special servicing needed

ECONOMY AND LONG LIFE

- Replaceable dispensing module lowers repair costs
- Stainless steel and high impact resin components resist rust and corrosion for long-lasting service

Reduced-Core TECHNOLOGY

- Smaller core reduces waste and optimizes supply chain

TouchFree Compact Roll Towel Dispenser *with Reduced-Core™*

The economy and efficiency of rolls....The overall footprint of a folded towel dispenser...and the paper savings of a 10" long sheet!

Patented for no twist, no tear ergonomics

The revolutionary system advances and cuts the towel, providing:

- The lowest mechanical pull force (<1.7 lbs / .77kg) and lowest tab-outs in the industry
- The easiest ergonomic pull-off for the user—no twist or tear required
- Smooth, “clunk”-free, battery-free operation

Automatically cuts to 10" length for 20% paper savings vs. standard 12" portions
