STERLING *Select*

Twin Jumbo Roll Tissue Jr.
with Reduced-Core™

Holds two large capacity rolls

#52012

Washroom patrons expect paper to be available when and where needed! The high capacity Twin Jumbo Roll Tissue Jr. ensures adequate supply during high demand, and the smoke cover and graphite back quickly allows maintenance workers to determine when refill is needed.

USER SATISFACTION
- Holds more than the equivalent of ten standard rolls to ensure adequate supply even during high traffic periods
- Plastic tear-off bars on side and front of dispensing opening for user safety

HYGIENIC PERFORMANCE
- Completely covered to prevent contamination of paper supply
- Sliding door to isolate the unused roll

UPSCALE IMAGE
- Attractively-styled, impact resistant plastic casing resists scratches, dents, and rust to keep your washroom looking clean and new

EASY MAINTENANCE
- Designed for easy access to roll tissue
- Large window to see when refills are needed

ECONOMY AND LONG LIFE
- Vandal resistant to protect your property
- Rust free

LOWER COST IN USE
- Features hinged front cover and key lock to reduce pilferage
- Movable door controls access to tissue to ensure complete consumption of one roll prior to transfer to the second roll

Reduced-Core TECHNOLOGY
- Accepts smaller tissue core
- Smaller core reduces waste
- Smaller carton is easer to handle and requires less packaging
- Improves supply chain efficiencies

SSS® **TRIPLE S**
