

STERLING *Select*

TouchFree 8" Roll Towel Dispenser

with *Reduced-Core*™

Quiet no touch activation and patented cutting mechanism!

#52014

The ingenious mechanical no touch technology features low pull force and a patented, high efficiency cutting technology for the lowest tabbing rate in the industry. Satisfies customers and reduces maintenance costs for all Away From Home applications.

LOWER COST IN USE

- Allows for loading a new roll before the stub roll runs out
- Self-threading transfer system allows single sheet stub roll dispensing to eliminate waste
- Two-handed pull encourages fewer sheets per hand dry, reducing overall consumption
- Uses economical non-perforated rolls
- No batteries—eliminates battery expense

USER SATISFACTION

- Patented cutting mechanism provides quiet, efficient operation with low pull force and reduced tabbing

HYGIENIC PERFORMANCE

- Mechanical no touch operation for the ultimate in user hygiene—you only touch the paper

UPSCALE IMAGE

- Attractive streamlined exterior
- Stylish, black smoke cover and graphite-gray back

EASY MAINTENANCE

- Quick and easy loading with open access and exposed roll holders
- Easy-clean surfaces
- Reliable operation with few moving parts and no electric motors, batteries, sensors, calibration or special servicing needed
- Battery-free—eliminates labor to charge batteries and eliminates addition of batteries to the waste stream

ECONOMY AND LONG LIFE

- Replaceable dispensing module lowers repair costs
- No-rust, plastic components
- Stainless steel and high impact resins resist corrosion from sanitizing solutions for long-lasting service

Reduced-Core TECHNOLOGY

- Smaller core reduces waste and optimizes supply chain

STERLING *Select*

TouchFree 8" Roll Towel Dispenser with Reduced-Core™

Features patented touch-free, quiet, battery-free operation for efficient, hygienic dispensing.

- Pull-triggered cutting mechanism dispenses one 8" wide towel per pull and automatically advances the next towel
- Low pull force dispenses without tabbing
- Stub roll feature
- Strong, stainless steel door hinges
- Easy installation
- Replaceable dispensing module
- Removable and fixed key provided
- Mounting hardware is included; optional mounting plate available
- Conforms to ADA standards and HACCP guidelines
- Patented technology
