

GenieClean™ System

Continuous Fixture Cleaning and Drain Maintenance System

- Enhances Cleanliness and Washroom Image Continuously
- Innovative Fuel Cell Technology
- Easy Installation
- Environmentally Friendly
- World-Class Reliability

Super Concentrated Cleaner for Sparkling Clean Fixtures

Enhances Cleanliness and Image Round-the-Clock

GenieClean™ System is uniquely designed to dramatically improve the overall cleanliness and image of any washroom. Concentrated refill formula eliminates 99.99% of odor causing bacteria at the source while preventing build-up of uric scale in pipes and hard water deposits on fixture surfaces.

Environmentally Friendly Solution

GenieClean™ Super Concentrated Tank Toilet Cleaner Dispenser and Refill components are recyclable - no batteries required. GenieClean™ extends time between cleaning cycles. Concentrated refill formula reduces the amount of chemicals that go into waste systems and are cost-effective.

Easy Installation

GenieClean™ Pipe & Wall Mount Dispensers install directly into the water line, so that the concentrated formula travels everywhere water goes to more effectively clean fixture surfaces. Water shut-off is not required during installation. The compact, GenieClean™ Tank Toilet System discreetly installs inside almost any tank toilet.

World-Class Reliability

Concentrated refill contains innovative fuel cell technology that delivers consistent metered dispensing continuously for up to 60 days with no moving parts to restore. Durable design features smooth surfaces for easy cleaning and keyed lid to help prevent tampering.

GenieClean™ System

Keeps Fixtures Sparkling Clean

The GenieClean™ Systems effectively clean toilets & urinals automatically round-the-clock to enhance the image of commercial washrooms. Concentrated formulas attack and eliminate odors at the source, clean fixture surfaces and maintain drains to avoid costly repairs. Continuous cleaning helps reduce labor costs and keep fixtures clean in between manual cleaning cycles.

Enhances Washroom Cleanliness and Image:

Super concentrated GenieClean™ cleans and maintains fixtures with every flush, even in hard-to-reach areas such as under the rim.

- Cleans wherever water travels to reduce cleaning times of fixtures by up to 50%
- Kills 99.99% of odor causing bacteria
- Keeps fixture surfaces clean continuously
- Maintains drains to prevent costly repairs

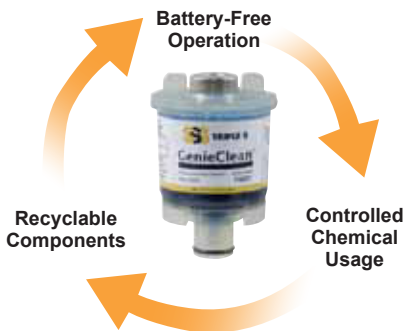

GenieClean™ KILLS
99.99%
of odor causing
BACTERIA

Environmentally Friendly:

The GenieClean™ continuous cleaning systems help maintain “green” cleaning programs in facilities.
