

Twin Jumbo Roll Tissue Dispenser with Knob

Item # 76101

- **Extremely Durable**
- **No Stub Roll Waste**
- **Very High Capacity**
- **Economical Design**

DESCRIPTION:

Simple, durable and cost effective, this Twin Jumbo Roll dispenser is an excellent fit for high traffic demanding environments. Designed for simplicity, this dispenser has eight parts which reduce cost and failure and improves reliability. Made from high impact plastics, the cover can withstand the most demanding of environments including vandalism, water, and heat. Twin rolls ensure no stub roll waste and offers little chance of run out. High capacity design is equivalent to 24 rolls of leading standard bath tissue, which reduces refills and reduces maintenance.

FEATURES & BENEFITS:

Extremely Durable
Low Stub Roll Waste
Very High Capacity
Economical Design

- High impact plastics provide excellent strength and durability.
- Twin rolls and slide bar ensure no stub roll waste and virtually no run out.
- Twin jumbo roll size holds 2,000 feet, equivalent to 24 rolls of bath tissue.
- Cost efficient design uses only eight parts to operate.

Twin Jumbo Roll Tissue Dispenser with Knob

Item # 76101

Simple & Secure Lock

Locking mechanism is easy to use and eliminates theft.

Moisture Deflection

When cleaning the walls and dispenser, this curved back plate runs water away from the paper and vital dispenser parts.

Smoked Window

Transparent window makes it easy to see if the dispenser needs refill.

Very Durable Plastic

Polycarbonate cover is difficult to scratch or break.

Translucent Cover

This translucent cover lets you see when paper needs to be replaced.

Wide Selection of Mounting Holes

Provides greater mounting security as well as ease of installation.

Twin Roll Capacity

Reduce waste, maintenance, and any risk of running out of paper with the twin jumbo roll capacity.

Hidden Tear Blade

Tear blade faces the inside of the dispenser which quickly cuts the tissue while hiding the blades.
