

STERLING

8" Push Bar Mechanical-Lever Dispenser

Item # 76102

- **Large Push Area**
- **Economical**
- **No Costly Batteries or Disposal**
- **High Capacity Roll Towels**

DESCRIPTION:

This economical roll towel dispenser offers lever style operation but the entire cover is the push bar. This large push area can be pressed with your hand, elbow, forearm, etc., reducing potential cross-contamination. This dispenser is an excellent value with its high capacity roll towels that lower maintenance costs, its mechanical operations that require no costly batteries or disposal, and its efficient low cost design.

FEATURES & BENEFITS:

Large Push Area
High Capacity
No Batteries Required
Economical Choice

- The cover feeds paper when pushed with your hands, elbow or forearm.
- Dispenser holds 8" diameter rolls which reduce refills and maintenance.
- Mechanical system eliminates batteries & costly battery disposal.
- Dispenser was engineered to be simple and cost efficient.
