

8" TouchFree Mechanical Dispenser

Item # 76103

- **Reduced Tabbing/Paper Tear**
- **Advertising/Communication Window**
- **Sanitary - Hands Free**
- **No Costly Batteries or Disposal**

DESCRIPTION:

Improve the look and performance of your hand towel dispenser with this mechanical hands free system. The large opaque window is an excellent way to provide messaging to your employees, customers or visitors. An extra-long paper tail reduces tabbing - eliminating those torn pieces of paper on your bathroom floor. Mechanical systems require no batteries and eliminate unnecessary recurring costs and the complications of battery disposal. An economical and hygienic solution that is good for the environment.

FEATURES & BENEFITS:

Reduced Tabbing
Advertising Window
Sanitary - Hands Free
No Batteries Required

- Long paper tail and low pull force reduces paper tabbing.
- Communicate important messages with the unique window.
- Exposed paper eliminates levers or push bars that can cross-contaminate.
- Mechanical system eliminates batteries & costly battery disposal.

8" TouchFree Mechanical Dispenser

Item # 76103

Simple & Secure Lock

Locking mechanism is easy to use and eliminates theft.

Advertising Window

Dispenser cover is fitted with a window for advertisements, reminders or general communications.

Moisture Deflection

When cleaning the walls and dispenser, this curved back plate runs water away from the paper and vital dispenser parts.

Side Turn Knob

Load paper easily with the use of the side turn knob. Dispenses paper if the rare event paper is not exposed.

Long Paper Tail

More exposed paper gives wet hands more surface area which reduces tabbing and keeps floors clean.

Wide Selection of Mounting Holes

Provides greater mounting security as well as ease of installation.

Stub Roll Capable

Reduce waste and risk of running out of paper with the use of the stub roll feature.

Easy Pull Cutting Mechanism

Cutting mechanism has a low pull force that allows for easy paper removal and reduces tabbing.
