8" Compact TouchFree Roll Towel Dispenser

Item # 76109

- **Compact and Sanitary - Hands Free**
- **Reduced Tabbing/Paper Tear**
- **Advertising/Communication Window**
- **No Costly Batteries or Disposal**

DESCRIPTION:

When space matters, this compact dispenser provides the look and performance you need in a mechanical hands free system. The large opaque window is an excellent way to provide messaging to your employees, customers or visitors (template available to create your own messaging). An extra-long paper tail reduces tabbing - eliminating those torn pieces of paper on your bathroom floor. Mechanical systems require no batteries and eliminate unnecessary recurring costs and the complications of disposal. An economical and hygienic solution that is good for the environment.

FEATURES & BENEFITS:

- | | |
|------------------------------|--|
| Compact Size | – Fits nicely in small places. |
| Reduced Tabbing | – Long paper tail and low pull force reduces paper tabbing. |
| Advertising Window | – Communicate important messages with the unique window. |
| Sanitary - Hands Free | – Exposed paper eliminates levers or push bars that can cross-contaminate. |
| No Batteries Required | – Mechanical system eliminates batteries & costly battery disposal. |

8" Compact TouchFree Roll Towel Dispenser

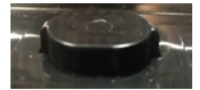

Item # 76109

Simple & Secure Lock

Locking mechanism is easy to use and eliminates theft.

<OR>

Advertising Window

Dispenser cover is fitted with a window for advertisements, reminders or general communications.

Two Option Lock

Choose to open your dispenser with or without a key with this flexible locking mechanism.

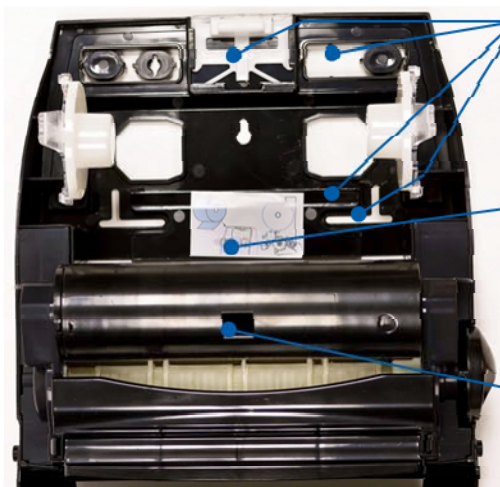

Side Turn Knob

Load paper easily with the use of the side turn knob. Dispenses paper if the rare event paper is not exposed.

Long Paper Tail

More exposed paper gives wet hands more surface area which reduces tabling and keeps floors clean.

Innovative Multi-Lock Options

Inter-changeable push button or key buttons located are conveniently accessible in the back of each dispenser.

Slotted Mounting Holes

Long multi-directional slots make mounting easy and flexible.

Easy Pull Cutting Mechanism

Cutting mechanism has a low pull force that allows for easy paper removal and reduces tabling.
