

# Workplace Wiping Solutions

**Housekeeping**

**Industrial**

**Healthcare**

## Providing a healthier environment for the workplace.

Using the right wipe can improve staff productivity and reduce your labor costs. But all wipes aren't created equal. You're a professional. You want your tools as specialized as you are.

That's why Triple S offers you specialty solutions for housekeeping, industrial and healthcare. Whether you're cleaning up a spill, keeping an engine running, or disinfecting an operating table, we have a wipe perfectly designed to get whatever you need done.

**No Matter Your Job  
There's a wipe for that**

# Healthcare

You're the first line of defense against infection. You need a wipe that cleans, disinfects, minimizes cross contamination and works fast.
