

Puma G

Transportable Air Mover

Puma G Transportable Air Mover

Daisy chain up to 3 units together to quickly dry large areas

Stackable for storage

- Three speeds for a variety of drying applications from floors and walls to circulating the air.
- Built-in handle and wheels for easy transport from job to job with no carrying involved.
- Two GFCI onboard outlets enable the operator to daisy chain up to 3 units together for more drying power.
- Three positions 0°, 20°, and 90° to handle a variety of drying needs.
- Stack up to 4 units together for space saving storage.
- Use the swing-out kickstand to improve airflow and speed up dry time.
- ETL and CETL certification ensures safe operation.
- Easy grip handle and cord wrap for operator convenience and safety.
- 5-year warranty on the ABS housing and on the motor for years of heavy, daily operation.
