

ASTORIA Select

SSS Astoria Select Electronic TouchFree HRT Dispenser

PRODUCT DESCRIPTION:

The Astoria Select Electronic TouchFree HRT Dispenser offers a combination of performance, cost savings and modern aesthetics equipping you with the most ideal towel dispensing system solution to suit your needs. The unit holds 8" roll towels and dispenses under two operational settings – Wave n’ Dry and Tear n’ Go.

FEATURES AND BENEFITS:

- Flexible length settings allow for controlled dispensing
- When paired with Astoria Select Extra Long 1000’ Roll Towel, results in fewer run-outs and less roll replacements
- Touchless operation reduces cross-contamination, supporting a positive end-user experience
- Removable, easy access battery pack requires four D cell batteries (included) and comes with a battery life indicator light
- ADA compliant and can be used in HACCP-compliant environments
