

ASTORIA Select**SSS Astoria Select Mechanical TouchFree HRT Dispenser****PRODUCT DESCRIPTION:**

The proprietary Astoria Select Mechanical TouchFree HRT Dispenser offers a combination of performance, cost savings and modern aesthetics equipping you with the most ideal towel dispensing system solution to suit your needs. The unit holds 8" roll towels with a unique lock out and dispenses 9" sheets for controlled dispensing and reduced overall cost-in-use.

FEATURES AND BENEFITS:

- 9" paper settings allow for controlled dispensing
- When paired with Astoria Select Extra Long 1000' Roll Towel, results in fewer run-outs and less roll replacements
- Touchless operation reduces cross-contamination, supporting a positive end-user experience
- Rubber gaskets around the seal makes the unit wash-down ready
- Can be used in HACCP-compliant environments
- Sleek, European design enhances facility image
